Chairman's Corner

With our return to normal club activities, I'm happy to report that we have officially registered 47 men and 26 women to play football this year and can still register additional new players until August. In response to this strong registration, the board and coaches have been busy arranging activities both on and off the pitch. You will see in this newsletter that the calendar is quickly filling up with planned fixtures and activities. I encourage all club members to mark their calendars for upcoming activities and consider pitching in time and/or participating in events. – Jason Skinner, Chairman.

Kid's Clinic

Around Mother's Day we requested club input regarding a potential kid's clinic to run alongside/after/coordinate with our weekend co-ed practices. As of now we have 5 families

with 12 kids (ages 1-15) interested in participating. If you are interested in your kid expending serious energy on a weekend morning or just want to share the love of the game with them, please complete the form below and stay tuned for further details!

For nationals, the teams are required to stay at the official hotels, which are not yet finalized. Failing to do so will result in the club being fined by USGAA. We will update with details once we have more information.

Notices

The following are key points where we need club input and assistance:

Content Creation Team – We are looking to you to join the content creation team! This means you'll see Allie and the content creation team at all the events taking photos, videos, and keeping you informed about the goings on of the club through social media. Please reach out to **Allie** if you are interested.

Fionn Tent – We are still missing the Fionn tailgating tent. It was last seen (we think) at the Texas championship in June 2019. Please contact **Carolyn** if you have any idea of the whereabouts of the tent.

Men's Team White Kit – Also last seen (we think) at the Texas Championship in June 2019. Please contact **Jason or Carolyn** if you have it or have any idea where to find it. We do not care how bad it smells by now.

Trophies – We need to locate the Women's Texas Championship trophy which was last seen at the Texas Championship in June 2019. Do you see a theme here??? Please contact **ANYONE on the board** if you have it or know where it is.
